

BLASTWIZARD® KWIKBLAST 120

Includes a 20m blast hose and nozzle

Flexible and versatile — the Blastwizard® Kwikblast 120 is a popular choice from the Blastwizard® Kwikblast range. The Blastwizard® Kwikblast 120 has the ability to be more powerful than the Blastwizard® Kwikblast 60 yet is more portable than the Blastwizard® Kwikblast 200 when full of water and blast media. With a blasting time of up to 8 hours, the Blastwizard® Kwikblast 120 lends itself perfectly to both large and small projects.

The Blastwizard® Kwikblast 120 lends itself perfectly to both large and small projects alike giving customers the flexibility to handle a wide variety of jobs. With a vessel capacity of 121 litres, blast media refill times are extended up to 8 hours thereby making projects that little bit faster and easier.
